Data of research facility and Goethe-HLR project in charge

Application for an Account at CSC cluster Goethe-HLR

Legal Rules

All signers of this application are obliged to inform themselves on and abide by the relevant rules and laws. This holds in particular for

- the Hessische Datenschutzgesetz (HDSG)
- the Urheberschutzgesetz (Copyright)
- the Ausfuhrkontrollbestimmungen:
http://www.ausfuhrkontrolle.info/ausfuhrkontrolle/de/vorschriften/eg_dual_use_vo/index.html

In particular it is acknowledged that the applicant is not a citizen of countries or member of organizations that are not allowed to use HPC facilities due to export control restrictions

<http://www.ausfuhrkontrolle.info/ausfuhrkontrolle/de/embargos/uebersicht/index.html>

- the terms of use of the CSC:
<https://csc.uni-frankfurt.de/wiki/doku.php?id=public:nutzungsbedingungen>

Usage of the CSC infrastructure is only permitted for academic research. Private and/or commercial use are not allowed. The Access authorisation (username, password) must not be passed to others.

I want to be invited to HPC-frankfurt-events: Yes No

HPC-frankfurt-events is a newsletter that provides information about courses, workshops and other events in the field of high performance computing.

Signature of the head of Goethe-HLR project

With my signature I confirm the correctness of the above data and agree to be bound to the above legal rules.
